

Please note, this is only a rough guide to show which swingarms can be swapped over with little or no modification  
 Please email any other swaps that work to me at [perversepolisher@oldskoolsuzuki.info](mailto:perversepolisher@oldskoolsuzuki.info)

### GSXR 750 Frame/Swingarm Conversions

Year	Model	Frame type	Alternate Swingarms	Notes
1985	F	Slabside	GSXR750 G or H. GSXR1100F G or H	750 F model uses a 0.5" shorter swingarm than the G or H models
1986	G	Slabside	GSXR750 F or H. GSXR1100F G or H	Use linkage and dog bones from 1100
1987	H	Slabside	GSXR750 F or G. GSXR1100F G or H	
1988	J	Slingshot	GSXR1100 L M	Use linkage and dog bones from 1100
1989	K	Slingshot	GSXR1100 L M	
1990	L	Slingshot	GSXR750 M. GSXR1100 L or M	L & M 750 arms are approx 4cm shorter than the 1100 L & M
1991	M	Slingshot	GSXR750 L. GSXR1100 L or M. GSXR1100 M	L & M 750 arms are approx 4cm shorter than the 1100 L & M
